Continuation of 11. does NOT place the application in condition for allowance because: For the reasons set forth in the previous Office action, the rejections remain the same because the pending claims do not distinguish over the prior art. Applicant's arguments have been fully considered but they are not persuasive because Applicant's arguments are directed to new limitations not entered.

Continuation of 13. Other: It is suggested that Applicant file a continuation-type application since the claims do not distinguish over the prior art of record. Attached hereto is a copy of the telephonic interview held on November 30, 2005.
